#### INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Via Care Community Health Center, Inc.

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Via Care Community Health Center, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Via Care Community Health Center, Inc. as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

#### Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived

from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 19, 2019 on our consideration of Via Care Community Health Center, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Via Care Community Health Center, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Via Care Community Health Center, Inc.'s internal control over financial reporting and compliance.

**Notes to the Financial Statements** 

For the Year Ended June 30, 2019

#### 1. Organization

Via Care Community Health Center, Inc. ("Via Care") is a non-profit Federally Qualified Health Center formed to provide exceptional health care to patients in its service and throughout their lives. As a community-based organization, Via Care fulfills its mission by delivering quality health care services throughout the entire life cycle, in a manner that is respectful and conscious of the cultural and linguistic needs of their patients.

Via Care builds on a foundation of empowering patients to take control of their health and lives, offering extensive family planning, health screening, and health education in addition to primary medical and dental care. Behavioral health services additionally provide confidential, accessible counseling and support that mitigates the stigma usually associated with seeking mental health treatment. Collaborative relationships with local hospitals ensure that patients will receive coherent care in all situations.

Headquartered in East Los Angeles, Via Care presently operates four primary-care clinics, a school-based wellness center at Garfield High School and a Behavioral Health office. Via Care is moving toward creating a patient-centered medical home model of care, which would ease families out of crisis mode and into the routine maintenance of good health throughout their lives.

The Organization's sources of revenues include payments from other service providers, government and foundation grants, patient donations and payments for services.

#### 2. Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

#### **Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting.

#### **Accounting**

To ensure observance of certain constraints and restrictions placed on the use of resources, the accounts of Via Care are maintained in accordance with the principles of net asset accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into net asset classes that are in accordance with specified activities or objectives. Accordingly, all financial transactions have been recorded and reported by net asset class as follows:

**Without Donor Restrictions.** These generally result from revenues generated by receiving unrestricted contributions, providing services, and receiving interest from investments less expenses incurred in providing program-related services, raising contributions, and performing administrative functions.

**With Donor Restrictions.** Via Care reports gifts of cash and other assets as with dono restricted support if they are received with donor-imposed restrictions that limit the use of the donated assets. Via Care has no donor-restricted net assets at June 30, 2019.

**Notes to the Financial Statements (continued)** 

For the Year Ended June 30, 2019

#### 2 Summary of Significant Accounting Policies, (continued)

#### **Cash and Cash Equivalents**

Via Care has defined cash and cash equivalents as cash in banks and money market funds in a securities institution and certificates of deposits maturing in less than one year.

#### Allowance for Doubtful Accounts

Accounts receivable are stated net of an allowance for doubtful accounts. Via Care estimates the allowance based on its historical experience of the relationship between actual bad debts and net credit revenue.

#### **Concentration of Credit Risks**

Via Care places most of its temporary cash investments with a high-credit, quality financial institution. At times, such investments may be in excess of the Federal Deposit Insurance Corporation insurance limit. Via Care has not incurred losses related to these investments. The primary receivable balance outstanding at June 30, 2019 consists of government contract receivables due from county, state, and federal granting agencies. Concentration of credit risks with respect to trade receivables are limited, as the majority of Via Care's receivables consist of earned fees from contract programs granted by governmental agencies.

#### **Inventories**

Inventories consist primarily of medications for patients and are stated at the lower of cost or market. Medications are periodically reviewed for expiration dates and if the expiration date has passed, they are disposed of.

#### **Property and Equipment**

Property and equipment are recorded at cost if purchased or at fair value at the date of donation if donated. Depreciation is computed on the straight-line basis over the estimated useful lives of the related assets. Maintenance and repair costs are charged to expense as incurred. Property, equipment and improvements are capitalized if the cost of an asset is greater than or equal to five thousand dollars and the useful life is greater than one year.

#### **Revenue Recognition**

Revenue is recognized when earned. Program service fees and payment under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed, or expenditures are incurred, respectively. Contributions are recognized when cash, securities, other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

Government Agencies: Government funding is generally recorded on a reimbursement basis, that is, when qualifying expenses are incurred by the Center, both a receivable from the government funder and revenue are recorded.

**Notes to the Financial Statements (continued)** 

For the Year Ended June 30, 2019

#### 2 Summary of Significant Accounting Policies, (continued)

#### **Donated Materials and Services**

Contributions of donated non-cash assets are measured on a non-recurring basis and recorded at fair value in the period received. Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair value in the period received.

#### Goodwill

Via Care acquires medical practices from time to time. Goodwill in such acquisitions represents the excess of the cost of a business acquired over the net of the amounts assigned to assets acquired, including identifiable intangible assets, and liabilities assumed. Amounts assigned to goodwill and other identifiable intangible assets are based on independent appraisals or internal estimates. Goodwill is evaluated for impairment each year.

Via Care does not amortize goodwill or indefinite-lived intangible assets. Management evaluates the remaining useful life of an intangible asset that is not being amortized each reporting period to determine whether events and circumstances continue to support an indefinite useful life. If an intangible asset that is not being amortized is subsequently determined to have a finite useful life, it is amortized prospectively over its estimated remaining useful life. Amortizable intangible assets are amortized on a straight-line basis over 7 years.

#### **Income Taxes**

Via Care is exempt from taxation under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d.

Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by Via Care in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. Via Care's returns are subject to examination by federal and state taxing authorities, generally for three and four years, respectively, after they are filed.

#### **Functional Allocation of Expenses**

Costs of providing Via Care programs and other activities have been presented in the Statement of Functional Expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. Via Care uses time studies, number of full-time equivalents or direct salaries to allocate indirect costs.

**Notes to the Financial Statements (continued)** 

For the Year Ended June 30, 2019

2 Summary of Significant Accounting Policies, (continued)

#### **Allocation of Costs Between Program and Support Functions**

Readily identifiable costs such as Salaries and Wages; Clinical and Dental Supplies; Medications; Laboratory Fees; Health Fair costs, etc. are charged to one of four cost centers (Medical, Dental, Behavioral Health or Outreach & Enrollment) and then allocated to a specific grant budget or to programs based on estimates of time spent. The estimates of time spent are corroborated by semi-annual time studies. Administrative and undesignated costs are first bundled under Administration and then allocated to the cost centers on the percentage relationship of salaries and wages.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America required management to make estimates and assumptions that affect reported amounts of assets, liabilities, revenues, and expenses as of the date and for the period presented. Actual results could differ from those estimates.

**Notes to the Financial Statements (continued)** 

For the Year Ended June 30, 2019

#### 3. Liquidity and Availability of Resources

Via Care's financial assets available within one year of the balance sheet date for general expenditures are as follows:

Cash	\$ 239,818
Accounts receivable, net of allowance for bad debts	1,183,454
	\$ 1,423,272

None of the financial assets are subject to donor, board or other contractual restrictions that make them unavailable for general expenditures within one year of the statement of financial position.

Via Care has capitation contracts in place for approximately 7,000 patient lives which generate between \$100,000 to \$150,000 cash, per month. Additionally, on December 12, 2018 the clinic received notice of the renewal of its Section 330 grant for three years, with no restrictions, in the amount of \$2,301,738 per year.

#### 4. Accounts receivable

The components of accounts receivable are as follows:						
Trade accounts receivable	\$	1,246,351				
Capitation - Annual reconciliation		119,675				
Grants receivable		417,428				

Allowance for doubtful accounts (600,000)

Total \$ 1,183,454

All grants are receivable in less than one year.

Bad debt expense for the period was \$400,000.

**Notes to the Financial Statements (continued)** 

For the Year Ended June 30, 2019

#### 5. Property and Equipment

Property and equipment are depreciated over its estimated useful lives, ranging from 4 to 10 years. The basis for depreciation is cost if purchased and fair-value if contributed.

Cost less accumulated depreciation

	Cost	Accumulated Depreciation		1	Net Book Value
Furniture and fixtures Leasehold improvements Dental, medical & communications	\$ 68,011 470,835	\$	(60,716) (158,196)	\$	7,295 312,639
equipment	430,190		(295,737)		134,453
Total	\$ 969,036	\$	(514,649)	\$	454,387

Depreciation expense for the year ended June 30, 2019 was \$142,933.

#### 6. Intangible Assets

Intangible assets are amortized over their estimated useful lives. Software is amortized over 3 years and Contracts & patient files over 7 years.

Cost less accumulated amortization

	Cost	Accumulated Amortization		Net Book Value
Contracts & patient files - Eastside Contracts & patient files - Santa Rosa Electronic Health Records Software	\$ 309,528 184,000 276,412	\$	(159,386) (94,748) (120,375)	\$ 150,142 89,252 156,037
Total	\$ 769,940	\$	(374,509)	\$ 395,431

Amortization expense for the year ended June 30, 2019 was \$97,626.

#### 7. Goodwill

The Organization is carrying goodwill on its Statement of Financial Position as a result of two practice acquisitions. The amounts are as follows:

	 astside Practice	 nta Rosa ractice	Total
Goodwill	\$ 141,774	\$ 94,698	\$ 236,472

**Notes to the Financial Statements (continued)** 

For the Year Ended June 30, 2019

#### 8. Commitments and Contingencies

#### **Obligations Under Operating Leases**

On July 6, 2018, the clinic entered into a sub-lease agreement with Hillsides for property located at 501 S. Atlantic Blvd., Los Angeles, CA. The lease is for a period of twenty-three (23) months expiring on May 31, 2020. The current monthly lease is \$10,551 and will increase to \$11,014 on June 1, 2020.

On August 1, 2018, the clinic entered into an operating lease for 3,200 square feet of space at 507 S. Atlantic Blvd, Los Angeles, CA. The lease is for a period of five (5) years expiring on July 31, 2021. The current base monthly cost is \$8,425 and is subject to an annual increase of 4%.

On July 1, 2018, Via Care signed an operating lease for 1,240 square feet of space at 280 S. Atlantic Blvd., Los Angeles, CA. The term of the lease is for one (1) year, commencing September 1, 2018. The base monthly rent is \$3,268.

On November 30, 2015, Via Care guaranteed the lease payments of Dr. Enrique Gonzalez, at 4755 E. Cesar Chavez Boulevard, Suites A, B & C, Los Angeles, CA. The lease expires in 2020; the current base monthly rent is \$5,210 which is subject to an annual increase of 3%.

On December 11, 2015, Via Care entered a ten (10) year lease for 6,684 square feet at 607, 611 & 615 S. Atlantic Blvd, Los Angeles, CA. The current base rate is \$18,192 per month and is subject to an annual increase of 3%

As part of its obligations under the terms of an Asset Purchase Agreement dated January 12, 2018 between the clinic and Santa Rosa Family Care Center, Via Care agreed to sub-let the premises at 5015 E. Whittier Blvd, Los Angeles, CA. The lease expires on December 31, 2018. The current monthly rent is \$4,200. On December 26<sup>th</sup>, 2018 a new five (5) year lease was signed in the name of Via Care. The first-year monthly cost will be \$4,200 and it will increase by \$50 per month in each succeeding year.

Space is leased at Garfield High School on a month-to-month basis at a rate of \$1,115 per month currently.

Copiers are being leased at a rate of \$3,667 per month, water dispensing units at a rate of \$470 per month.

Year ending June 30,	Amount
2020	607,193
2021	434,399
2022	316,545
2023	300,987
2024	515,615
Total	\$ 2,174,739

Rent expense for the year ended June 30, 2019 was \$599,497.

**Notes to the Financial Statements (continued)** 

For the Year Ended June 30, 2019

#### 8. Commitments and Contingencies (continued)

#### **Contracts and Grants**

Via Care's grants and contracts are subject to inspection and audit by the appropriate governmental funding agency. The purpose is to determine whether program funds were used in accordance with their respective guidelines and regulations. The potential exists for disallowance of previously-funded program costs. The ultimate liability, if any, which may result from these governmental audits cannot be reasonably estimated. Via Care has no provisions for the possible disallowance of program costs on its financial statement.

#### **Uncertain Tax Positions**

Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by Via Care in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. Via Care's returns are subject to examination by federal and state taxing authorities, generally for three and four years, respectively, after they are filed.

#### 9. Long-term debt

Long-term debt consists of the following:

Secured, with a UCC-1 filing, obligation under loan agreement with CPCA Ventures, 3.75% stated interest rate.

June 30, 2019

384,015

This is the only long term debt Via Care has. Monthly payments are \$22,883. The loan terminates on January 1, 2021. CPCA has a UCC-1 filing on record. Loan maturities for each of the remaining two years following June 30, 2019 are as follows:

2020 \$ 245,923 2021 138,092 \$ 384,015

**Notes to the Financial Statements (continued)** 

For the Year Ended June 30, 2019

#### 10. Pension Plan

The Organization maintains a defined contribution pension plan under IRS Code Section 403(b). The organization contributes on a discretionary basis. No contributions were made by the Organization for the year ended June 30, 2019.

#### 11. Concentration of Revenue Sources

Approximately 30% of the Organization's revenue is derived from grants from the Federal government which are renewed annually. The current level of the Organization's operations and program services may be impacted, or segments discontinued if the funding is not renewed.

#### 12. Subsequent Events

Subsequent events were evaluated through December 19, 2019, the date the financial statements were available to be issued. On August 19, 2019, Via Care expanded its medical and behavioral health services to, East Los Angeles College, a local community college. Via Care is offering services during the Fall, Winter, and Spring semesters. On October 1, 2019, Via Care expanded its dental services by acquiring an additional site on 5017 Whittier Blvd. On September 12, 2019 the clinic received notice of grant award for \$300,000 to expand dental services at 507 S. Atlantic location serving 1,100 patients a year. Via Care has also expanded new lines of services by introducing care management programs emphasizing Whole Person Care and Health Homes program through LA Care and Anthem Blue Cross.

### **Supplemental Information**

Schedule of Expenditures of Federal Awards

Total Expenditures of Federal Awards			\$ 3,398,156		

Notes to the Schedule of Expenditures of Federal Awards

For the Year Ended June 30, 2019

#### 1. Basis of presentation

The schedule of expenditures of federal awards (the Schedule) includes the federal award activity of Via Care Community Health Center, Inc. under programs of the federal government for the year ended June 30, 2019. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR), Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Via Care Community Health Center, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of Via Care Community Health Center, Inc.

#### 2. Summary of significant accounting policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

#### 3. Indirect Cost Rate

Via Care Community Health Center, Inc. has elected to not use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors
Via Care Community Health Center, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Via Care Community Health Center, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 19, 2019.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Via Care Community Health Center, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Via Care Community Health Center, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Via Care Community Health Center, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Via Care Community Health Center, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

l Rhadal

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

The Board of Directors
Via Care Community Health Center, Inc.

#### Report on Compliance for Each Major Federal Program

We have audited Via Care Community Health Center, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Via Care Community Health Center, Inc.'s major federal programs for the year ended June 30, 2019. Via Care Community Health Center, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and guestioned costs.

#### Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Via Care Community Health Center, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Via Care Community Health Center, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Via Care Community Health Center, Inc.'s compliance.

#### Opinion on Each Major Federal Program

In our opinion, Via Care Community Health Center, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

#### **Report on Internal Control over Compliance**

Management of Via Care Community Health Center, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Via Care Community Health Center, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Via Care Community Health Center, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
